Welcome to MBBC Cricket 2014

I would like to welcome all students, parents and coaching staff to the 2015 cricket season. It is hoped that the formal inclusion of club cricket into the MBBC Term 1 sporting calendar will students the opportunity to compete at structured high level competition, and subsequently assist them in extending their skills to new levels. To those competing in the supplementary cricket draw, I wish you the best of luck and hope you enjoy the opportunities to compete against a wide range of schools in a friendly environment.

Should you require further information regarding the Cricket program I invite you to contact the coaches and managers as detailed within this booklet. Please contact me if you need additional details regarding other sports activities within MBBC.

Best wishes for the upcoming cricket season.

Kind regards,

Mr Scott Emblen

Club Cricket

MBBC teams are entered into club cricket via Wynnum Manly Junior Cricket Club. Teams are representing MBBC in this competition and will wear MBBC cricket uniform. The Wynnum Manly Junior Cricket Club hat will be worn by all players. The hat can be purchased directly from the Club.

Dependent upon the age of the players in each team, Wynnum Manly Junior Cricket Club will enter teams into either the Bears Competition or the Eastern Districts Junior Cricket competition. In both competitions teams will compete against teams of similar age from other clubs.

All games are played on Saturdays and will be held within Term 1 only. MBBC will play our home fixtures at Kianawah Park, Wynnum Rd, Tingalpa.
Secondary Sport Supplementary Draw

Teams in years 8 to 12 compete in the Secondary School GPS and AIC supplementary draw. This draw allocates MBBC teams against GPS and AIC school teams who would otherwise not have had a game that week. The draw is developed each Tuesday for fixtures on the following Saturday. Final details of times and venues for each match are negotiated between Heads of Sport after the draw is announced. It is expected that each week full fixture details will be available for parents and students by the Wednesday of each week.

Selection and Commitment

Teams will be selected based on performance and skill level at both training and games. Movement amongst teams may occur as a result of student performance each week.

Your selection into the MBBC Cricket squad means that you as a student are required to meet certain expectations.

→ Attend all Saturday morning competitions. Game times may vary slightly due to scheduling.
→ Attend all training sessions
→ Seek permission from your Coach if you cannot meet the above commitments
→ Support your team mates
→ Represent your school at all times with integrity.

**Weekly Newsletter**

A match report will be required from team coaches for the weekend’s round and will be included in the MBBC Newsletter.

**CIC Code of Behaviour**

**PLAYERS**

→ You should play your sports for the good health they promote, the enjoyment of being involved in sporting activities with your friends, and for the satisfaction that comes from doing your best, which will mean accepting victory and defeat in the same, well-balanced manner.
→ You should learn the rules of your sport as best you can. Regardless of whether you agree or not, decisions by officials, umpires, referees and selectors should be accepted with equal and due respect.
→ Remember that any poor sporting behaviour reflects badly on you, your parents, your coaches and your school. Copy only the good behaviour of well-known sporting figures.
→ There is never any excuse for bad language whether at training or when playing.
→ Give your teachers, coaches, parents, spectators and officials the respect and thanks they deserve for training you, supporting you, transporting you and generally making your sport possible.
TEACHERS AND COACHES

→ Each student should not be expected to give more than a reasonable time each week to training so that a proper balance is maintained in respect of time allocated to study, religious activities, boarding school or home duties, cultural enjoyment and social activities.

→ Every opportunity afforded by competitive games should be grasped to encourage the social growth of competitors. In this respect all the courtesies should be observed: teams must be punctual and well turned out; the home team should receive the visiting teams in a warm and helpful manner and the courtesies of the particular sport should apply.

→ Create opportunities to teach good sporting behaviour and the concept of fair play. Developing an awareness in players of the responsibilities and the implications of the freedom to choose between fair and unfair play is essential. Breaches of good sporting behaviour should never be ignored.

→ The awareness of the rules of the games, and their observance, is vital for the good order of games.

→ Develop team respect for the ability of opponents, as well as for the judgement of officials and opposing coaches.

→ Encourage the development of a sense of achievement that comes from an increasing degree of mastery of complex skills and tactics.

→ Remember that competitive games are for enjoyment and that winning is only part of the process.

→ Ensure that efforts for both skill improvement and good sporting behaviour are rewarded by praise. Players need a coach they can respect, so set a good example.

→ Make a personal commitment to keep yourself informed on sound coaching principles and the principles of growth and development of students of all ages. The scheduling and length of practice times and competitions should take into account the maturity level of players.

→ Encourage awareness of the physical fitness value of sports and their life-long recreational benefit.

→ Support all efforts to ensure that there is no verbal or physical abuse in sporting activities.

→ Control comments made in moments of high tension.

PARENTS AND SPECTATORS

→ MBBC warmly encourages the full and wholehearted support of parents and other supporters, however you are reminded that the competitive games the children play are organised for their benefit and enjoyment.

→ Encourage children always to play by the rules and their interpretation. The good example you set by respecting the decisions of officials can do much to support this. The use of profane language or the harassment of players, coaches and officials does nothing to support the spirit of games.

→ Inculcate in children the virtue of honest effort as being as important as winning so that the result of each game is accepted without undue disappointment.
Your promotion of the ideals of good sporting behaviour and a sense of fair play will only maximise the enjoyment the children derive from playing competitive games. Applaud good play by the team you support and by members of the opposing team.

Recognise and support the value and importance of coaches. They give of their time and resources to provide recreational activities for your child. Vindictive criticism of coaches damages the player/coach relationship and may destroy the good we seek to achieve.

Any breach of good sporting behaviour by, or apparent complaint against any official of another school or team should only be voiced through your school administration on a Principal to Principal basis.

Coaching for Batting

PART NO.1 – Grip & Stance

1. Take CENTRE guard from umpire and mark it clearly on the pitch with chalk.
2. Correct GRIP on bat with the V between thumb and first finger on the top hand should point to the front shoulder, and the V on the bottom hand should point to the back shoulder. Both hands together in the middle of the handle.
3. The FEET should be shoulder width apart either side of, and parallel to the batting crease. With the knees slightly bent and the head and eyes level and still. The player should be relaxed and comfortable.
4. Place BAT behind the back foot (allows for straight back lift), with the handle resting on the thigh and place the toe of the bat on the centre guard mark.

Keep eyes level and head still.

Knees slightly bent.

Rest the toe of the bat on the centre guard mark.

Feet parallel and either side of the crease.
PART NO.2 – Preparing to face the bowler
1. **FINE FOCUS** on the ball, this will give you a greater period of time to determine and be in position to play your shot.
2. Focus on the ball in the hand of the bowler as he runs in to bowl. As the ball leaves the bowlers hand start your **BACK LIFT**. The back lift should be towards 1st slip and about stump high.

PART NO.3 – Determining which shot to play
1. When batting you will have **FIVE DECISIONS** to make: -
   - Forward defence
   - Forward attack – Drive
   - Backward defence
   - Backward attack – Hook, pull & cut
   - Leave the ball
2. The **LINE & LENGTH** of the ball will determine the shot you will need to play. Full deliveries play forward, short deliveries play back.

PART NO.4 – Front foot or forward defence
1. Watch the ball onto the bat.
2. Keep the head steady and over the bat.
3. Front elbow bent and high, pointing back towards the bowler. Arms and bat form a figure 9
4. Front foot near to the line of the ball, knee slightly bent and weight transferring to the front foot as the body moves forward.
5. The bat is moved towards the ball, close to the front pad, with the blade slightly behind the handle.
PART NO.5 – Back foot or backward defence

1. The back foot moves back and across the wicket, the weight resting on the back foot as the shot is played.
2. The bat is kept close to the pad on the back foot, leaving no gap for the ball.
3. The eyes are kept level to the horizontal.
4. The front elbow is kept bent and high. The top is controlling the grip, while the bottom hand, thumb and index finger some support and control. Releasing the grip of the bottom hand enables you to make the ball drop at your feet.

PART NO.6 BATTING

Once you are padded up waiting for your turn to bat, get a teammate to throw some full balls to you for a warm up. Then sit down to rest and relax your mind by taking notice of what the bowlers are doing. Once it is your turn to bat, take centre, middle stump to right-hand bowlers of pace and off-spin.
Bowling Techniques

- The basic grip to hold the ball is to keep the seam vertical and to hold the ball with your index finger and middle finger either side of the seam with the side of your thumb resting on the seam underneath the ball.

- In your approach/run in, try to stay Smooth, Balanced, Economical, Rhythmical and Consistent and stay relaxed and try not to tense up.

- During your approach and action, your head position is very important. Make sure that as you approach the wicket you are running at a steady, consistent speed, and increase strides. Aim to keep your head as steady and level as possible, looking towards your target.

- Pull your front arm down and through the target area, making sure you complete the delivery with a full follow through.

- Try to keep everything in the same direction, towards your target, keep your hips and shoulders parallel/in-line, and follow through the delivery in the direction where you intend the ball to go.
