VOLUNTARY BUILDING FUND

The Voluntary Building Fund exists at the College in order to provide funds to assist with upgrades to existing or new facilities.

The College Building Fund is registered and endorsed by the Australian Taxation Office as a deductible gift recipient under items in Subdivision 30-B of the Income Tax Assessment Act 1997. All donations made to the Voluntary Building Fund are fully tax deductible.

Your contributions to the Voluntary Building Fund really make a difference to the College's ability to maintain and expand the facilities that your sons enjoy. All donations are gratefully received. As a guide to assist families, \$150 per family per term in 2017 is suggested and this amount will be included as a voluntary donation on each school fee account.

PAYMENT OPTIONS

School fee accounts are sent out to families prior to the commencement of each school term and are payable on the first day of each school term.

The College currently provides a number of flexible payment options:

- Online payment via MBBC website www.mbbc.qld.edu.au or Parent Lounge
- Direct Debit – This can be arranged on a fortnightly, monthly or quarterly basis to suit your personal requirements. Please download the form from our website and forward to the accounts@mbbc.qld.edu.au to make arrangements (note: if you choose this option it will be necessary for you to complete a new agreement each year)
- B-Pay
- Cheque
- Cash
- Visa / Mastercard (a 1% credit card surcharge applies)

The College's financial structure is carefully balanced and therefore prompt payment of accounts is vitally important to enable the College to appropriately manage its cash flows.

ADMINISTRATION LEVY FOR LATE FEES

The College reserves the right to apply an administration fee (currently \$200 per term) to accounts that are overdue and/or where pre-arranged payment plans are not being followed. If accounts are not paid by the due date, they are considered as being in arrears and in breach of the College Enrolment Contract. We strongly encourage families to communicate openly with the College should there be any difficulty in meeting fee commitments, as payment options can generally be negotiated to suit individual circumstances. In the first instance, please contact Mrs Sonja Bancroft, the College Business Manager.

WITHDRAWAL OF A STUDENT PRIOR TO THE END OF YEAR 12

The College requires written notice of ***not less than one full school term in advance*** for the withdrawal of a student at any time prior to the end of Year 12. Notice is required on the final day of the school term which is immediately prior to the end of the term in which the student is intending to leave.

A penalty of one (1) term's fees will be payable by families who do not provide the required notice.

EXTENDED ABSENCE

Whilst the College understands that absences are at times unavoidable, by law, students in the compulsory years of schooling are required to be in attendance during term time. Requests for extended absence (a period of absence of three days or longer for reasons other than illness or extraordinary circumstances, e.g. family holidays) within school term time must be submitted in writing to the Head of College. Requests must be made well in advance of the absence and no later than two weeks prior to the student's departure.

TEMPORARY RELOCATION

Due to factors such as an increasing global economy, the College is experiencing temporary movement by families overseas, interstate or intrastate for work or family reasons. Families often want their children to return to the College when they settle back into Brisbane however the date of re-entry is often unknown. It is difficult for the College to guarantee the availability of places in cases when year levels are full, there are waiting lists for those year levels and school income is reliant on all places being filled.

Any family wishing to hold a place in the circumstances of temporary relocation are required to pay the normal fixed school fee component for the period of the absence. The fee should be paid to the College each semester in advance and normal notice periods for withdrawal of enrolment will apply. Note that students returning in Years 11 or 12 after absence due to temporary relocation need to meet QCAA course coverage and mandated assessment guidelines where they are not in attendance for part of a semester.

STUDENT ACCIDENT INSURANCE AND TRAVEL INSURANCE

The College provides a **Student Accident Insurance Policy** that provides cover for all full time MBBC students against accidental bodily injury 24 hours per day, 365 days per year, worldwide. Major exclusions include any Medicare Gap expenses and accidents resulting from participation in professional sports. There is no additional charge to the family for this coverage. You are welcome to contact the Business Manager's office for more details regarding this policy.

The College also has a **Travel Insurance Policy** which covers all students, staff and others who travel for school purposes outside a radius of 50km intrastate, interstate and overseas. Parents are not required to take out additional travel insurance for any school related excursion.

OUTSIDE SCHOOL HOURS CARE (OSHC) PROGRAM

MBBC offers on site Before and After School and Vacation Care through OSH Club. All children of school age are welcome. Fees are determined by OSH Club with invoices issued directly by them.
