## VOLUNTARY BUILDING FUND

An important part of your family's contribution to the College community is your support of the College's Building Fund. The MBBC Building Fund is managed by the Moreton Bay Colleges' Foundation, and has deductible gift recipient status.

The Fund provides an avenue for families to make tax deductible donations to build and maintain the College's educational facilities. The new Library building is currently the primary focus.

Your contributions make a significant difference in ensuring that buildings and facilities are maintained to an appropriate standard. As a guide to assist families, a donation of \$150 per family per term is suggested and this amount will be included as a voluntary donation on each school fee account.

## PAYMENT OPTIONS

School fee accounts are sent out to families before the commencement of each school term and are payable on the first day of each school term. Where fees remain unpaid by the due date, and no payment plan is in place, an administration fee of \$200 may be charged. Please note, if you are not able to either pay fees by the due date or enter into a payment plan/direct debit arrangement, we encourage you to contact 'ASG - Australian Scholarship Group Funding Solutions' on 131 274 to discuss payment options that are available as the College is not able to provide long term credit.

The College currently provides a number of flexible payment options:

- Online payment via the Parent Lounge located via 'Quick Links' on the MBBC website, top right hand side
- B-Pay
- Direct Debit – this can be arranged on a fortnightly, monthly, quarterly or annual basis to suit your personal requirements
- Visa/Mastercard (a 0.778% credit card surcharge applies)
- American Express (a 0.95% credit card surcharge applies)
- Cheque

The College's financial structure is carefully balanced and therefore prompt payment of accounts is vitally important to enable the College to appropriately manage its cash flow.

#### **WITHDRAWAL OF A STUDENT PRIOR TO THE END OF YEAR 12**

The College requires written notice of ***not less than one full school term in advance*** for the withdrawal of a student at any time before the end of Year 12. Notice is required on the final day of the school term which is immediately before the end of the term in which the student is intending to leave.

A penalty of one (1) term's fees will be payable by families who do not provide the required notice.

#### **EXTENDED ABSENCE**

Whilst the College understands that absences are at times unavoidable, by law, students in the compulsory years of schooling are required to be in attendance during term time. Requests for extended absence (a period of absence of three days or longer for reasons other than illness or extraordinary circumstances, e.g. family holidays) within school term time must be submitted in writing to the Head of College. Requests must be made well in advance of the absence and no later than two weeks prior to the student's departure.

#### **TEMPORARY RELOCATION**

Due to factors such as an increasing global economy, the College is experiencing temporary movement by families overseas, interstate or intrastate for work or family reasons. Families often want their children to return to the College when they settle back into Brisbane however the date of re-entry is often unknown. It is difficult for the College to guarantee the availability of places in cases when year levels are full, there are waiting lists for those year levels and school income is reliant on all places being filled.

Any family wishing to hold a place in the circumstances of temporary relocation are required to pay the normal fixed school fee component for the period of the absence. The fee should be paid to the College each semester in advance and normal notice periods for withdrawal of enrolment will apply. Note that students returning in Years 11 or 12 after absence due to temporary relocation need to meet QCAA course coverage and mandated assessment guidelines where they are not in attendance for part of a semester.

#### **STUDENT ACCIDENT INSURANCE AND TRAVEL INSURANCE**

The College provides a **student accident insurance policy** that provides cover for all full time MBBC students against accidental bodily injury 24 hours per day, 365 days per year, worldwide. Major exclusions include any non-Medicare medical expenses and accidents resulting from participation in professional or motor sports. There is no additional charge to the family for this coverage. You are welcome to contact the Director of Business and Finance for more details regarding this policy.

The College also has a **travel insurance policy** which covers all students, staff and others who travel for school purposes outside a radius of 50km intrastate, interstate and overseas while on college business.

**OUTSIDE SCHOOL HOURS CARE (OSHC) PROGRAM**

MBBC offers on site Before and After School and Vacation Care through OSH Club. All children of school age are welcome. Fees are determined by OSH Club with invoices issued directly by them. Fees should be paid directly to OSH Club and not to or via the College. Enrolment forms are available from Administration or from the OSHC Coordinator. Their direct contact number is 3906 9428.
