Life adventurers. Life achievers.

P&F Association

The MBBC Parents and Friends Association is devoted to developing a community of parents, friends, staff and students. Working within this partnership, our main objective is to seek ways to enhance our boys' learning experience.

Our aim is to both fund raise and "friend" raise. As well as raising money to provide and improve amenities and resources for the College, the Association also fosters fellowship between parents, friends, teachers and students, and provides an avenue for parents to learn more about educational and other activities of the School while meeting in a social environment.
