Academic Information

It is a condition of enrolment that the College is advised of any medical conditions the student suffers from, or any educational/learning difficulties a student may have, at the time of making an application. Any report from medical or paramedical professionals must be forwarded to the College. This is required so that the College can exercise its Duty of Care responsibilities completely, and determine its ability to meet the needs of students requiring specialist support (ie physical, learning, social/emotional, behavioural). The initial and continued enrolment of a student is dependent on the disclosure of all relevant information relating to the health and well being of the student.

Enrolment Procedures

Your completed Application for Enrolment form must be accompanied by the following:

- **\$200 non-refundable application fee**
- **A copy of your son's birth certificate**
- **Copies of passport/visa providing evidence of date of entry**
- **Copies of your son's last two school reports (Years 2 – 12 applicants only)**
- **Copies of Literacy/Numeracy test results (Years 3, 5, 7 and 9)**
- **Medical/Specialist Reports and Education Assessments (if applicable)**

Approximately 12-18 months prior to your son's nominated year of entry, all applicants will be invited and expected to attend an enrolment interview. Copies of the two most recent school reports are required at this time.

Official offers will be made after the enrolment interview has taken place. Families will have a reasonable time frame in order to accept or decline this offer accordingly. A non-refundable confirmation fee of \$800 will secure your son's place, together with completion of 'Conditions of Entry' forms.

Acceptance of a place requires the commitment from parents to work together with the College. It also involves a preparedness to co-operate with the College in matters relating to our Code of Conduct.

Acceptance of a place also implies a commitment to pay fees (in full) when they are due.

Towards the end of the year prior to commencement, families are invited to attend an Orientation Day where they have the opportunity to meet the teachers and classmates, and be provided with relevant information packages.

The Enrolment Process is completed once your son arrives on his first day!
