Duties and Responsibilities

General Information

Established in 2003 MBBC is a P – 12 boys' school set in the leafy bayside suburb of Manly West. It currently has 500 plus enrolments. At MBBC the Primary School consists of Years Prep to 6 with the Secondary School Years 7 – 12. As an International Baccalaureate World school, Moreton Bay Boys' College offers the great benefits of an internationally recognised approach to education. Our globally-focused syllabus helps boys connect with the world around them – managing, constructing and deconstructing knowledge and applying it to different contexts and experiences. Teachers use the Primary Years Program (PYP) and the Middle Years Program (MYP) of the International Baccalaureate to plan inquiry-based, differentiated units covering all aspects of the Australian Curriculum. Senior boys follow the QCAA pathways with the majority of boys obtaining an OP.

College Vision

The College strives to be a leading internationally minded school that offers its boys an innovative, broadly based educational experience. Our philosophy is built on the foundation of Christian values and aims to develop each boy's critical thinking and individual abilities, equipping them with the skills necessary to be successful, productive and responsible global citizens. In brief, Moreton Bay Boys' College strives to develop our boys into young men of faithful service, leadership and integrity, while at MBBC – and into the future.
