### Employment

#### Job descriptions

Each College regularly reviews and updates duty statements for its employees. This includes the position responsibilities and to whom the person is responsible.

#### Selection Criteria for appointment and promotion

The qualities sought in an employee for a specific position are reflected in all job descriptions and refer to (at least) qualifications, skills, abilities, knowledge and experience. Once an employee is engaged then the same criteria apply in relation to promotion.

#### Interviews

The position selection criteria form the basis upon which questions are asked during interviews, but are not the only basis.

#### Relevant exemptions

In relation to employment, the Act provides an exemption in the following areas applicable to Moreton Bay College and Moreton Bay Boys College:
- where there is a genuine occupational qualification required;
- in educational institutions with a religious purpose;
- where job capacity is restricted by impairment and special terms are imposed;
- where special services or facilities are required by people with disabilities that would impose unjustifiable hardship on the school; or

unjustifiable hardship to the employer.

Some exemptions are absolute, some are not.

**ENROLMENT**

**Prospective students**

Subject to the Colleges’ written enrolment policy, the Colleges’ do not discriminate in:

- failing to accept a person’s application for admission as a student;
- the way in which a person’s application is processed;
- the arrangements made for, or the criteria used in, deciding who should be offered admission as a student; or
- the terms on which a person is admitted as a student.

**Current students**

The Colleges’ do not discriminate:

- in any variation of the terms of a student’s enrolment;
- by denying or limiting access to any benefit arising from the enrolment that is supplied by the College; or
- by treating a student unfavourably in any way in connection with the student’s training or instruction.

**Relevant exemptions**

The Act provides an exemption in the following areas:

**STUDENTS WITH DISABILITIES**

This statement should be read in conjunction with the Students with Special Needs Policy.

1. The application is discussed with the parents or care-givers

and the student (depending on the age of the student).

2. Detailed notes are kept of this meeting and of all subsequent conversations and meetings.

3. The Head of College or Enrolments Officer speaking with the parents or caregivers will advise them in an open, honest and straightforward manner of the services and facilities available within the College and an inspection of the College’s facilities will be offered at the earliest opportunity.

4. The parent’s views on the additional services and facilities that the student needs will be obtained with verification of this information sought where necessary.

5. The student seeking enrolment will be observed in his/her present setting and the teachers at the school presently attended will be consulted to ascertain the assistance the student is currently receiving. Advice will be sought about the services and facilities that may be required in the future.

6. The Learning Support teacher, and a child psychologist if appropriate, will be involved at an early stage of the process. Formal assessment of the student may be conducted.

7. Any additional services and facilities that may be required will be quantified and costed.

8. It may be necessary to engage an Occupational Therapist, building consultant or architect to obtain detailed costing of modifications that may be needed.

9. It may be appropriate to obtain reports from any Medical Practitioners or other professionals involved in treating or assisting the student.

10. Enquiries will be made to determine if additional funding might be available from the Commonwealth or State Governments. This additional funding may be in the nature of recurrent or capital funding.

If the student requires additional services and facilities because of the disability and the provision of these services and facilities by the College would cause unjustifiable hardship, the enrolment may be refused by the Head of College or Principal on that basis. Before this step is taken, the family seeking enrolment will be given advice about the College’s preliminary view and offered the opportunity to comment.
