My Camp Experience:
By Sarah Gunn

"As I arrived at Charles de Gaulle airport, I remember trying to read and understand the overhead signs before being met by an EF representative to be escorted to the two week camp. The camp was great - my French skills quickly improved and I made friends from a variety of nationalities of whom I'm still in contact with.

After the camp, I met my host family and easily started to settle in to baguettes, cheese and croissants!"
