See what others don’t.

Everyone has a unique perspective on the world. Take a photograph that reflects the theme ‘When I get older’ and enter The Age Nikon Photo Comp for the chance to win great prizes for you and your school.

How to enter

Entry is open to secondary students in term 2, tertiary students term 3 and primary students term 4. Each term will have a unique theme. Choose your best photo and email it to AgeNikon@theage.com.au. Only one photo entry per person. Make sure your file is in JPEG format (.jpeg or .jpg) and does not exceed 5MB in size.

In the body of the email please include your full name, year level, school name and address, school telephone number and your teacher’s name and email address. Include a brief explanation of how your entry reflects the theme, ‘When I get older’.

Entries close June 11, 2010.

Prizes

One entrant will win a Nikon D5000 camera kit valued at $1,699. They also win a second Nikon kit for their school along with a photography workshop hosted by The Age and Nikon.

This term The Age Nikon Photographic Competition is open to secondary students. For details visit education.thage.com.au/photocomp
