Challenge 2010: Workshops for the Gifted

on

Tuesday 29 and Wednesday 30 June 2010

at

Brisbane Boys’ College
Kensington Terrace, Toowong  Brisbane

Challenge 2010 is a Conference for Gifted Young People aimed at providing invaluable opportunities to experience the excitement of extending their learning in novel and engaging workshops where they will mix with like minds and be encouraged to explore their potential. (Students are recognised as gifted when they can operate at levels of learning well above that which is normal for their age peers. Gifted education programs are designed to provide opportunities to engage with tasks achievable by students two years in advance of a gifted child's chronological age.)

This exciting program of workshops is the only state conference for gifted children in Queensland. QAGTC is a non-profit organisation run by volunteers to benefit gifted children. Details of workshops and registration forms are provided at:
