9 August 2010

Rotary Youth Driver Awareness Program - Year 11 PDP - Wednesday 15 September 2010

Dear Parent(s)/Guardian(s)

On Wednesday 15 September 2010, Year 11 students together with Year 11 students from Moreton Bay College, will participate in an education program aimed at reducing injury and death amongst young people on our roads. The RYDA Program targets 16 – 17 year olds who are at an age where they start to drive or ride in a vehicle driven by their friends. The day will be held at Queensland Transport’s Mount Cotton Training Centre which is a world class driving facility specialising in driver education.

Please note: No student will be involved in driving a vehicle on the day.

Moreton Bay Boys’ College is committed to ensuring the safety of our boys and we fully support education programs such as this. There is widespread recognition that we need to involve and collaborate with our young people around road safety issues by:

- increasing public education
- increasing young driver education – especially where we focus on cognitive skills such as hazard perception and conflict prediction
- ensuring that young people are aware of risks and legal consequences.

Students will travel to and from the venue by bus. Buses will depart from Moreton Bay College at 8.00 am and return by 3.00 pm. However, students may come to Moreton Bay Boys’ College for 7.45am and take the school bus down to the girls’ college. Please indicate on the form your choice of travel arrangements. Students will need to take their own food and drinks for morning tea and lunch as there are no facilities for the purchase of food or refreshments. Please complete the Parental Consent Form (attached) and return to Mrs Cosgrove in Administration by 13 August 2010. The cost for the day is $30.00. Attendance on this day is compulsory; however, as this is an off-campus activity involving the charging of a fee, we respect your right to choose to not allow your son to participate. Any student not participating in the driver program is required to attend school as usual. Students will undertake a supervised study.

Yours sincerely

Mrs Diana Patchett
Assistant Principal
