Sunday 28 November
from 8:30 am – to 12:30 pm.

In preparation for next year’s Teams Racing interschool competition; we need to develop the skippering skills of a few more of our sailors. Our coaches have identified the following boys who they believe have the skills required to be a skipper:

- Jesse Bradford
- Dylan Jansma
- Alex Willis
- Steffen Mitchell
- Brae Anderson
- Ryan Munro
- Alain Youdan

On this day, we would appreciate the support of our experienced sailors, so the following boys are also invited to attend:

- Connor Mashlan
- Samuel Lambourne
- Trent Allen
- Matthew Wood
- William Matterson
- Lachlan Keen

If you are NOT able to attend, please let me know as soon as possible so that we may be able to find a replacement sailor.
