Does Your Child have Difficulties with Motor Skills or Handwriting?

Jumping Jacks

An intensive therapy group run by an Occupational Therapist and Physiotherapist is now available in the Redlands to help improve your child’s:

- Gross Motor skills and Co-ordination
- Posture (improving strength and endurance)
- Handwriting
- Fine Motor skills including hand strength and dexterity

A fun filled 1 hour session of physical activity and fine motor challenges for children aged 4-7 years. Activities are specifically designed to improve your child’s motor skills and self-confidence.

The group consists of 6 sessions on Monday & Friday mornings in the Christmas holidays (excluding Christmas/New Year period). Cost is $45 per session. Fees may be claimed through private health insurance.
