Robogals and The University of Queensland (UQ) would like to invite girls from year 7 up to year 12 to attend a full-day Robotics Workshop for girls on 16 December 2010 at UQ’s St Lucia campus.

During the day, students will be able to try hands-on robotics activities and meet some of our female Engineering students.

ABOUT ROBOGALS
Robogals is a student-run organisation that aims to engage schoolgirls in engineering topics from a young age, with the long-term goal of increasing female enrolment in engineering, science and technology courses at universities.

We hope to see you at UQ’s Robogals Workshop!

WHEN 9am-3pm, 16 December 2010
WHERE Boeing Lab 208, GP South Building (78), UQ St Lucia Campus
