Dear Parent

Your school has been selected as one of 21 schools to be part of Brisbane City Council’s Active School Travel program!! The program will help to reduce traffic congestion outside your school gates, improve road safety and increase the numbers of your students who walk, cycle, car pool and use public transport on the journey to and from school; either some or all of the way; every day or just one day a week.

The AST program will give you the information, motivation and opportunity to make a positive change to the traffic issues around your school. For the program to work most effectively we need input from your school community. After all, you are the ones who are most familiar with your school, the issues and your local area and you are best placed to suggest measures that will be most supportive in improving the journey to and from school.

Please take a couple of minutes to complete the following questions about your journey to and from school and return to the school office by Thursday 24 March 2011

The class with the most returned surveys will win a $50 tuckshop voucher for some healthy summer treats!

About Your Family

1) What school do your children attend? ___________________________

2) What grades are your children in? Please tick all that apply:
   - Prep
   - 1
   - 2
   - 3
   - 4
   - 5
   - 6
   - 7

3) Class name(s) ________________________________________________

4) What is your home address? (street & suburb name only) ________________________________

Your Family’s Travel Habits

5) How do your children usually travel to school? Please tick 1 option:
   - Walk
   - Cycle
   - Scooter
