2 June 2011

Dear Parents

Since 2005, as part of the Student Care program at Moreton Bay Boys College, we have engaged the professional services of Family Planning Queensland (FPQ) to deliver a Health, Sexuality and Personal Development program with the Years 5, 6 and 7 students. The program includes physical growth and development, self-esteem, self-concept, body image and relationships.

Our Year 5, 6 and 7 teachers will work with FPQ staff after school on Monday 6 June to familiarise themselves with the details of the program and to meet the professional facilitators. The one-hour lessons will occur in class groups and will be supervised by the Form teachers. The Year 5 program involves two lessons and the Years 6 and 7 programs involves three. Specific session times are as follows:

Year 5: Friday mornings 10 and 17 June
Year 6: Thursday mornings 14, 21 and 28 July
Year 7: Friday mornings 15, 22 and 29 July

Should you have any questions or concerns regarding your son’s participation in this valuable program, please contact his Form teacher in the first instance.

Many thanks for your continued support.

Yours sincerely

Mrs Diana Patchett
Assistant Principal
