Dear Parents,

Cybersafety is becoming a big issue, especially when it comes to school age children. We would like to invite you to an information evening on Cybersafety Solutions presented by Australia’s foremost expert on this issue, Susan McLean.

Susan Mclean was the first Victorian Police Officer appointed to a position involving Cybersafety and young people. She took her first report of cyberbullying in 1994 and since then she has conducted extensive research and has completed advanced training in this area in both the USA and UK and is a sought after presenter and advisor to Schools. She is a member of the National Centre Against Bullying (NCAB) Cybersafety Committee and is afforded ‘expert’ status on the Safer Internet Programme Data Base.

Please join us to learn more about cyber bullying and Cybersafety measures for your own family to ensure your children remain as safe as possible on-line.

Mrs Diana Patchett
Acting Head of College

Date: Tuesday 9 August 2011
