Amalgamation Update 13

Week ending August 12, 2011

The amalgamation of Moreton Bay College (MBC) and Moreton Bay Boys' College (MBBC) is a dynamic move for the future of education on the bayside. In an effort to keep our school community informed every step of the way, we discuss a variety of topics relating to the amalgamation in an email to parents every Friday.

LATEST NEWS

Bus strike

Another Veolia bus strike took place this morning, again affecting scheduled school bus routes to MBC and MBBC.

For the third time in as many months both Colleges have rallied together to support their students in getting to school safely and on time. MBC arranged to charter a Mt Gravatt Coach & Travel shuttle bus which ferried students to both schools.

Following the election of Mr Geoff Diehm as Chair of the Boards and Professor Stephen Gray as Deputy Chair, the College Board has formalised four sub-committees. Enrolment interviews

For the remainder of the year, enrolment interviews for parents and prospective students at both MBC and MBBC will now be carried out by the Heads of College.

A letter of offer will be made to prospective students following a successful interview and families will then be given the opportunity to meet with College Principal, Ms Jennifer Haynes, when convenient.

Ms Haynes met with a newly enrolled MBBC family last week and said she was looking forward to meeting many more current and prospective families at the boys' school over the coming months.
