In addition to celebrating the special relationships which fathers and sons share, we are delighted to announce that Graham Hyman will be joining us as guest speaker.

Graham is Australia’s most widely used inspirational speaker in schools. He is one of the very few speakers who is equally engaging with children, teenagers and adults. He is renowned for his skill of wrapping profound and useful content in incredibly entertaining packages.

The cost of the buffet breakfast is $25 per adult and $15 per student (Years P-12 inclusive).

If you would like to attend, please RSVP by returning payment in an envelope with your name, your son’s name and year level and how many are attending, to the silver locked box outside the Administration office by 4pm on Friday 26 August.

Payment may also be made via credit card, if this is your preferred option, please complete the slip below and return in an envelope to the silver locked box. Please note that tickets will be issued for this event upon receipt of payment.

Unfortunately we will not be able to accept late responses as we need to provide final numbers to the caterer.
