2012 WISH LIST

With the new year comes the chance for resolutions and future plans. With this in mind, we asked well-known Baysiders what they have in store for 2012.

Jennifer Haynes, Principal, Moreton Bay College and Moreton Bay Boys' College:

“Continuing to develop inquisitive, humane, creative, globally-conscious and resourceful learners at each school and to maintain our heartfelt commitment to supporting others in need in the local community and beyond.”

Paul Green, Coach, Wynnum Manly Seagulls:

“We live in such a great area I would like to make time to enjoy it and take my daughter fishing. I want to eat well and find time to exercise, and also grow a veggie garden.”

Greg Clarke, Commodore, Wynnum Manly Yacht Squadron:

“My resolution for the new year is to deliver the rewards whether they’re financial or other to those around me including my staff and people who help me in the squadron.”

Michael Choi, State MP for Capalaba:

“I work hard to deliver for my electorate but I’d like to have dinner with my family at least two nights each week.”

Julie Warwick, Principal, Wynnum State High School:

“My new year’s resolution is to get a fat bank balance and a skinny waistline and not get this mixed up like I did in 2011. My 2012 plans include to work with the great Wynnum High community to keep making our excellent school even better.”

Karen Williams, Redland City Councillor for Capalaba:

“To try even harder than I did last year for the people of Redlands. New Year’s is also a time to reflect on the year gone by. I’ll be remembering my Mum who died in September. She and Dad came here with nothing from eastern Europe in 1950.”

Ken Edwards, President, Meals on Wheels Association:

“In 2012, we plan to put a new roof on our premises and build a weather shelter for our volunteers.”
