

Moreton Bay Boys' College

Life adventurers. Life achievers.

MBBC Sport 2015

I am writing to outline some changes to our sport program which have been necessitated by the dissolution of the CIC sport competition. The Combined Independent Colleges (CIC) competition has existed for some 57 years and we have been a member since 2009. However, last year and this year respectively, the Headmasters of GPS and AIC schools decided to withdraw their schools from the CIC to take part in their own expanded Grade 5 – 12 competitions. This leaves MBBC without that avenue to provide competitive sport for its boys, being neither a GPS nor AIC school.

Having explored a range of options I am pleased to announce that we have developed a comprehensive sport program that provides boys with a number of opportunities to represent MBBC and enable them to experience the benefits and joy of competitive sport.

I am indebted to Mr Scott Emblen (Head of Sport) who has worked very hard to construct the following program.

There will be an opportunity to hear more about the program at an information evening at **6.00pm on Tuesday 28 October, (Lecture Theatre)**

1. Year round activities to continue

- Mountain Biking
- Strength and Conditioning

2. Competitions to continue

- Sailing Term 1 (Years 7 to 12) and Term 4 (Years 6 to 12).
- Touch Football (Years 6/7) Term 4 Queensland all Schools Touch Football

3. Supplementary draw to continue in the following sports.

- Term 1 – Cricket (Years 5 to 12) and Volleyball (Years 7 to 12)
- Term 2 – Rugby Union (Years 5 to 12) and Soccer (Years 5 to 12)
- Term 3 – Basketball (Years 5 to 12)
- Term 4 – Basketball supplementary draw to continue for the first 3 weeks of term 4.

4. Prep to Year 3 Sport

Moreton Bay Boys College offers an Active After School Communities (AASC) sports program throughout the school year for boys in Prep to Year 3. Sports offered within the program are varied. A conscious decision has been made to provide students with exposure through the program to a wide range of activities. The AASC program is supported by the Federal Government through the Australian Sports Commission.

In addition to the AASC program MBBC has established partnerships with several organisations who run user pays skill development programs for boys in Prep to Year 4 at the MBBC campus. Programs include TFA soccer clinics, Rookies to Reds (QRU), and Auskick (QAFL).

5. Greater Brisbane Conference

MBBC will compete in the Swimming, Cross Country and Athletics championships in this sporting association.

6. ISSA Gala Days

MBBC will continue competing in the ISSA Gala Days each year in a range of team sports.

7. Representative Sport pathways

Boys will continue to access these pathways through the district and regional sports by nomination.

8. Club Sports to be introduced / expanded in 2015

Full details will be confirmed but information to date:
